
Hi Moms!

Hi all,

I just wanted to drop in and say Hi. I'm the new Mom Editor for Child Behavior, and I'm also a pregnant mom. I'm pregnant with my 3rd daughter, who, according to my OB and my back pain, is a big girl. We're due May 24th, but we're looking at inducing in 2 weeks because of her size.

Pregnancy's always exciting. Can't wait to read more preg stories from other Type-A moms :)

Welcome and congratulations! I have three boys so a house full of girls is a total mystery to me. Do you have any names picked out yet?
